The scholarship is open to the spouses, children, and grandchildren of honorably discharged Veterans of the United States Armed Forces. To be considered for the scholarship we will require two things. The first is to apply. The second is to write a one-page essay telling us about yourself, your educational aspirations, and what you do in the community to help others. Scholarships in the amount of \$1,000 will be distributed to the applicants who, as selected by the family of Staff Sergeant Mark T. Christensen, exhibit the same love of their community as Mark did.
